## Civilian Defense Leaders Will Meet Tonight To Study Operation of New Control Center Installed At City Hall

R. L. Crane Jr., first aid chief in Daly City, is shown with the new control board, the construction of which he supervised. The board will be used in the new control center which has been set up by the Daly City Defense Council.

### Entire Personnel To Be Utilized

Senior air raid wardens, demolition squad heads, and all other heads of sectors in the Civilian Defense Council will meet tonight to be instructed in the function of the new control center, it was announced by Arthur J. Bodien, civilian defense chairman. The meeting will be held at the city hall at 8 p. m.

The meeting will be in the form of a demonstration when the council will cite examples of a bombing in Daly City and go through the entire procedure

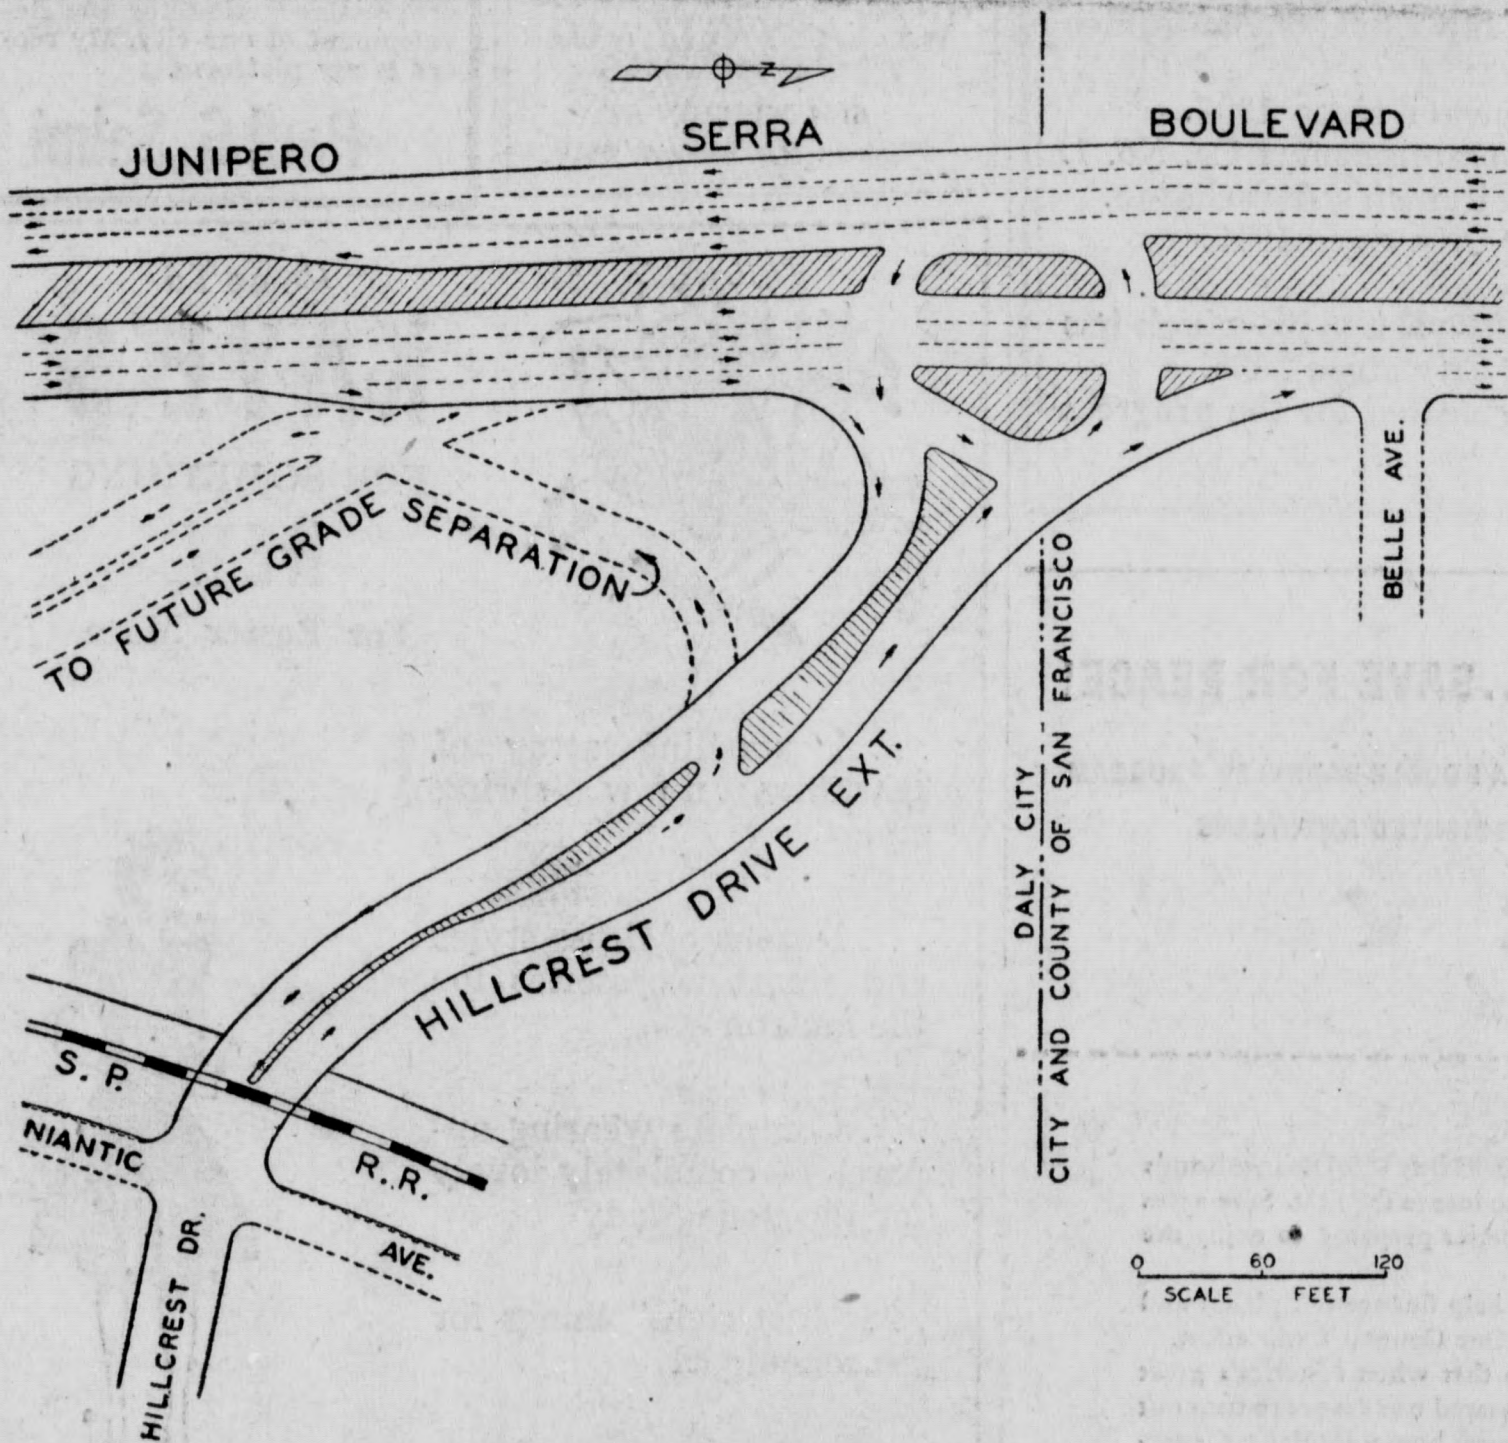

from the time the report is received by telephone from the air raid warden until aid has been dispatched to the location of the disaster. In showing these examples, the council will utilize the complete control set-up including the newly constructed control board, special maps for civilian defense, and the entire personnel of the control center.

Personnel at the control table will be Bodien at one end of the table and Mayor John J. Fahey sr. at the other end of the table. Facing the control board are the

following department heads: A. P. Chesney, fire chief; James G. Reardon, police chief; Arthur H. Quirnbach, chief air raid warden; R. L. Crane Jr., first aid head; Fred Collins, ambulance dispatcher; P. J. Kelly, demolition chief. Bodien will also direct utilities.

## City Engineer Klassen Makes Final Preparations To File Application For Hillcrest Grade Crossing With Commission

### PROPOSED CONNECTION OF HILLCREST DRIVE TO JUNIPERO SERRA BLVD.

DALY CITY CALIFORNIA  
R.A. KLASSEN CITY ENGINEER

### Plan Would Relieve Traffic Congestion

Final preparations for the proposed grade crossing of Hillcrest drive over the Southern Pacific Railroad tracks were being completed this week by Robert A. Klassen, city engineer. He expects to file application for the project with the State Railroad Commission next week.

Authorized by the city council

to proceed with the maps and additional records necessary for the application, Klassen said that the action was taken in Daly City in an effort to relieve the heavy traffic situation on Junipero Serra boulevard. Much congestion of traffic has been found on the state highway when cars going into Daly City turn off Junipero Serra boulevard at the present crossing of San Mateo avenue

near the county line. The new crossing would probably mean the abandonment of the old crossing.

Klassen's proposed project for Hillcrest drive has been worked out in detail for a channelization of the traffic flow on both the Daly City street and the state highway.

In the event that the project is accepted at the hearing of the (Continued on Page 4)

### Election Day Nears With Eight In Race

Political interest mounted in Daly City this week as the election on Tuesday, April 14, drew near with eight candidates seeking positions on Daly City's board of councilmen.

With three offices of full terms each open in the coming election, polls will be open for voters between the hours of 6 a. m. and 7 p. m. in nine consolidated voting precincts of the community.

Two incumbents in the present campaign, Paul G. Selmi and Julius Twesten, are back in the race for re-election to the council. Twesten has been a member of the council for twelve years, while Selmi has served as councilman for nine years, including a term as mayor.

Other candidates are: A. J. Gaggero, Eugene V. Lynch, J. F. Millett Jr., C. J. Pettigrew, Remi Sanders and H. H. Smith Jr.

### Mayor Proclaims

#### Monday As Army Day

Mayor John J. Fahey sr. has proclaimed Monday as Army Day in Daly City. Today he pointed out the importance of manifesting full support of America's armed forces and joining with them in the task of stamping out the aggressor, and common enemy of the Allies.

The proclamation was made after the mayor received a telegram, Friday, from Governor Culbert L. Olson who urged the observance of Army Day in all California cities. Proclamations were made by President Roosevelt for the nation and by Governor Olson for California.

### Appoint Johnny Dell To Rationing Board

Johnny Dell, member of the former Daly City Rationing board, was appointed, Monday, to the Northern District, San Mateo County Rationing board, No. 41-2 after Ems McClung, chairman of the board, conferred with Mayor John J. Fahey sr.

Comprised of the territories of Daly City, Colma, South San Francisco, Lomita Park, Sharp Park, Rockaway Beach, Brisbane, Bayshore, and San Bruno, the board has headquarters in South San Francisco city hall. However, Dell asserted that Daly City and Colma people who wished to apply for permits to buy tires and tubes could do so by applying to him at 6347 Mission street. Aside from McClung and Dell, the other member of the board is Frank Klein, San Bruno.

### Sunrise Easter Service

At the foot of the highest Easter cross in the world, atop Mount Davidson, sunrise services will be held, Sunday, at 6:51 a. m. As in former years, many Daly City residents will attend the ceremonies.

Reverend Thomas H. Wright, D. D., dean of Grace Cathedral, will preach the sermon using the theme "The Greater Victory." Band and choir music will be featured.

## Churches To Hold Easter Programs

### Prepare To Present Traditional Message

Easter, most significant holiday of the Christian world, will be observed traditionally in Daly City with programs and services, this week. Congregations throughout the community are preparing to hear again the message of Easter, and are expected to attach special significance to it as they face a world torn by a vast and horrible war.

Holy Angels' church in Colma is holding complete services during Holy Week, and concluding with Easter services on Sunday. Three masses are being held this morning at the church as a part of the Holy Thursday observance. Communion masses are at 7 a. m. and 7:30 a. m. with High Mass (Continued on Page 4)

## Hurry---Blood Bank Needs Funds NOW

Determined to meet Daly City's quota of \$1500 toward the organization of the San Mateo County Blood Bank, both contributors and solicitors for the drive have given fine support to the worthy cause, although time is short before the campaign closes. A 11 contributions must be turned in to the Daly City Water department by Monday.

Recent contributions which have been outstanding in the local campaign were a \$10 donation from Old Glory Post, No. 2044, Veterans of Foreign Wars of the United States, and a contribution of \$57.65 from the students of Jefferson Union high school. The students held two special play assemblies at the high school auditorium to raise funds for the amount.

Arthur H. Quirnbach, chairman of the local drive for the San Mateo County Blood Bank, declared that the collectors who volunteered their services have shown fine results in some of the precincts, although many have not yet reported results. Notable among the contributions which have been turned in were from these collectors: Mrs. Emily Mon Santo, Precinct 13; Mrs. W. J. Lehigh, Precinct 5; and Mrs. Myrtle Fitch, Precinct 6, who collected \$70 apiece for the Blood Bank.

"This fine work accomplished by these collectors proves that it can be done," Quirnbach pointed out, "and if the rest of the collectors can do as well, I'm sure we can reach that quota. In addition, we hope to get a good collection from the Blood Bank tin cans which are in all public places in the city."

## Red Cross Answers Call For Clothing

Answering the increasingly urgent demand for clothing for both refugees of Hawaii and the Pacific war zone and for the service men in Uncle Sam's Army and Navy, the Daly City Red Cross contributed over one hundred garments to the San Mateo County Red Cross during the month of March.

The announcement of the huge volume of work that was turned out in the local Red Cross sewing and knitting workshop was made by Mrs. Horace Fellows, local town chairman, upon completion of her March report to the county chapter. Under the direction of Mrs. Julia Jordan, production manager of the Daly City workshop, 61 volunteer Red Cross ladies worked 1502 hours to complete the garments in the March sewing program.

Nutrition classes under Red Cross direction are under way in Daly City in preparation for the official organization of the canteen division of the local chapter. Including a conclusive ten week course in the proper nutrition and food nourishment with special study in serving large groups of people, the nutrition classes have been completed at Jefferson Union high school, and a second class at General Pershing school is nearing the end (Continued on Page 4)

## Daly City Voters:

Less than two weeks remain for the voters to go to the polls to elect representatives who shall administer the affairs of their local government.

Up to this late date, those candidates who do not have a record of public service, have not in any way stated their plans for the type of administration they shall apply to make our city a better place in which to live.

I believe that the voters are entitled to know what their platform shall be, if they expect to gain the favor of the voters.

Telling the voters that they will give you a better government administration is very vague and leads you to wonder if this is another empty promise that is prevalent during election times.

A smile and a hand shake should not be a substitute for qualifications.

I stand for a continuance of progressive action for the development of our city. My record is my platform.

Railroad Commission, Klassen said that the project would transpire with the widening of the pavement on Junipero Serra boulevard and the construction of the extension of Hillcrest drive. The proposed plan calls for a dividing strip in the center of the Hillcrest drive extension to separate the traffic approaching and departing from Junipero Serra boulevard.

Also included in the project would be the widening of the portion of Hillcrest drive on the East side of the Southern Pacific tracks. Funds for the project would be the city gas tax funds for Daly City streets and state highway funds for Junipero Serra boulevard work with the possibility of funds from the San Francisco gas tax for streets involved.

## C. J. Pettigrew

To The Voters Of Daly City:

It is not enough to ask whether the candidates are honest men, for you will vote, of course, against any man you consider dishonest. But what do we mean by honesty in office?

Do we merely mean the public official who will not do an illegal act? How about those public officials who are honest in the sense that they cannot be put in jail, but who are dishonest in the sense that they commit acts which are ethically or morally wrong? What about the official who, in a hundred ways, most of them petty, squanders the taxpayer's money?

You have at this time the undoubted opportunity to improve our city government by which many dollars can be saved to the taxpayers if you so desire, and with due regard to home rule.

The great need for stopping the waste of public money, which does not at all mean being miserly in spending it adequately and effectively for every good purpose, is being sharply realized as your taxes mount.

If you approve these fundamental principles of leadership, then give me your support and cooperation on Tuesday, April 14, 1942 in my election to the office of councilman.

Volunteered and served my country in 1917. Let me serve all the people of Daly City now.

(Signed) C. J. Pettigrew

## Remi Sanders

To Daly City Voters:

In running for the office of city councilman, I have a number of very definite objectives in mind if I am elected:

1. To work in harmony with all the members of the council for the welfare of this city.

2. To eliminate and prevent maneuvering for purely political gains.

3. To support and continue to improve our fine city institutions such as the library, parks, playgrounds, service departments, recreation facilities.

4. Promote close cooperation with the school board, county agencies, and other official bodies with whom the city must work for mutual welfare.

5. Keep city taxes down.

It has been said that in this emergency we need men of sound experience and judgment who also have the ability to get things done. In 1918 I helped my country get things done in France and was wounded in action on the

The Daly City Record, this week presents the third of a series of articles written by the candidates themselves. The Record, believing in an open-door policy, has invited all candidates to participate in this program without charge.

## Julius Twesten

To Daly City Voters:

A week from next Tuesday, the voters of Daly City will go to the polls to choose three men qualified to serve as City Councilmen for the next four years.

In presenting myself to our voters for re-election to the position I have held for the past twelve years, I can only state that I will, if elected again, continue with the same interest and sincerity as in the past to do all I can to further Daly City's progress. It is with a great deal of pride that I look back over the years and view the growth of our city from a locality of refugee huts and scattered homes to a modern residential district in which homes to rent and newly built homes are continually in demand.

If I am re-elected, I am confident that my experience as an official and a business man, as well as my contacts through the years with progressive citizens eager to further the interests of Daly City, will afford me the opportunity of serving you wisely and well.

## H. H. Smith Jr.

Dear Friends:

For several years I have felt that since meeting and working with others and having the opportunity of helping them with any problems has been a seemingly natural pleasure to me, that it would give me the height of enjoyment to hold public office with the many opportunities it offers for just such contacts and work.

However, judging by the many unpleasant things we so often read and hear about political campaigns necessary to attain such a position, I entered the present contest for City Councilman with many misgivings as to how I would enjoy that part of the game.

It has been surprising and pleasing to have found nothing of the unpleasantness I had learned to expect, but instead a wholehearted friendliness, not only on the part of the people of our city as a whole, but also on the part of the other seven candidates.

## J. F. Millett Jr.

To Daly City Voters:

First point I wish to make in stating my objectives in running for city councilman is to represent all the people of Daly City as a strictly independent candidate. I am not aligned with any individuals or groups that will expect or ask favors of me, or of the city council, if I am elected to that body.

The qualifications of my opponents singularly are fine and I believe them capable as individuals of directing the course of the city government.

My only purpose in running is to operate independently, without obligation, and I pledge to use my experience and capabilities to do everything possible for the welfare of all the people and to always act in their interest.

photographer for the Reclamation bureau, functioning under the Department of Interior in Washington.

In the commercial photography business in Daly City since his arrival in 1932, Hovey has had an extensive background of both educational and practical commercial photography. His new government position will be concerned for the most part with large federal construction project sites, notably those of dams. Hovey will make photographic records of all prospective sites for the Department of Interior, and the job necessitates considerable aerial photography.

Aside from his regular photographic experience, Hovey is also unusually well equipped for aerial photography, having served in the Army Air Corps.

He attended college at Air Corps Technical School in Rantoul, Illinois, and received his degree from that institution in 1928. For the next four years Hovey was employed in photography by the Standard Oil company.

Active in social and organizational life in Daly City, Hovey was not only president of the Daly City-Colma Lions club but was instrumental in the organization of the local Lions' chapter, last year. Hovey's unexpired term as the head of the Lions will be filled by Dr. W. J. Lantheaume, local dentist.

In addition to the Lions' club, Hovey served a term as Worthy Chaplain of the Colma Vist Grande Aerie No. 1848 Fraternal Order of Eagles. He was also a volunteer member of Company No. 1, Daly City Fire department.

### Valuable Emergency Equipment Stolen

The meanest man in town—or a reasonable facsimile—made off with \$100 worth of valuable emergency equipment, Tuesday night. Leonard Steuhler, owner of the Peninsula Ambulance service, reported today that the first aid materials taken were vital to the community.

He expressed the possibility that the theft took place either at the call station at the top of the hill or in front of his residence, 136 Peoria street. Chief James G. Reardon is carrying out an investigation of the theft today. Steuhler said that a substantial reward will be given for recovery.

## Fete Miss McLaughlin At Two Showers

Miss Mary McLaughlin, 180 Irvington street, was recently feted at two surprise bridal showers in honor of her coming marriage to Lewis Thiebaut III. The ceremony is to take place, Easter Sunday at 5 p. m., at Our Lady of Perpetual Help church.

Bald Eagle Council No. 77, San Francisco, honored the bride-to-be at a surprise shower, March 13. She received many gifts from the members.

At the close of the evening she was placed at the head of a long table, around which sat the many members and friends. The table and banquet room were attractively decorated in pink and white. A bridal cake was the main table decoration.

Mrs. Loretta Johnson, 72 Wilson street, was chairman of the special committee and Mrs. May Heaney was in charge of the social committee. Both ladies worked in making the shower a success.

Mrs. Lewis Thiebaut II honored her daughter-in-law-to-be at a lingerie shower. Over thirty friends were present.

The table was beautifully decorated in the bridal motif.

our citizens I have met and with whom I have discussed our city's needs and problems, each contact has been a real pleasure. This includes the contacts made with those who are voting for others instead of me, and I was invariably impressed by their interest in their city and their loyalty to those whom they are supporting.

It has been most gratifying to find the same intense interest in government as has always been characteristic of our city. It assures a good percentage of votes and an expression of the people on April 14 which will be truly representative of their wishes as to who shall serve them as city councilmen.

The opportunity of campaigning and meeting so many fine people has been one of my most pleasant experiences, and I am looking forward with hope to the continuation of such pleasure in serving you as one of your councilmen.

If elected to that position of honor and trust I assure you of my sincere efforts in behalf of the progress of our city and to contribute my share toward the businesslike conduct of our government.

## Daly City Nine Defeats Brisbane

In the opening exhibition game of the season, sponsored by the Daly City WPA Recreation department, at Marchbank field, the newly organized Daly City Farallone Packers nine defeated a Brisbane club by a score of 8 to 2, Sunday.

Closer than the score indicated, the game was a well-played game throughout. Daly City garnered seven hits off the Brisbane twirler while the visiting club managed to get five hits off Nelson, Packer pitcher.

McNeilly, heading off for Daly City, started the scoring when he two-baggered, and was followed by Miner, left fielder, who drew a base on balls. Both men scored in the first inning. The Packers scored three more runs in the second, one in the sixth and two in the seventh frame. Brisbane's pair of runs came in the initial inning.

Manager Charles Norry of the Daly City team announced that games will be held every Sunday at Marchbank field, and asserted the possibility of a league. However, teams will be idle Easter Sunday, and play will resume on the following Sunday. Games are booked through the Daly City WPA Recreation department.

"We're going to stimulate some interest in baseball again in Daly City," Norry said, "and the boys certainly do appreciate the cooperation of the city officials in

Regular meeting of General Pershing P. T. A., originally scheduled for this afternoon, has been postponed one week because of Holy week. The members announce that the unit will meet, Thursday, April 9, at the school.

Mrs. Virginia Davidson, newly-elected president, has had to resign her office of president due to doctor's orders.

Mrs. Mildred Rasor has been appointed to fill the vacancy. Mrs. Rasor and family are not moving away from the local community as originally planned. They have now purchased a new home here.

Mrs. Sadler, chairman of the children's Easter party, expressed her thanks to the ladies who made the cookies for the affair. Those working on the cookies were: Mrs. Ruth Canier, Mrs. Kathryn Krogh, Mrs. Jane Nordgren and Mrs. Virginia Davidson.

The cookies were cut into various Easter shapes and wrapped in colored napkins. Each child in the school was presented with the gift.

Members of the unit today expressed their wish for a speedy recovery for Mrs. Norta Twisten, who has been ill for several weeks.

**Canned unsweetened Hawaiian Pineapple Juice** — which is a good source of vitamins B<sub>1</sub> and C, served frapped and brightly garnished with berries and mint in your favorite cocktail glasses, is just the first course for your Easter dinner.

**Frosted Pineapple Juice** — Crush white pillow mints with a rolling pin until they look like powdered sugar. Wet rims of cocktail glasses and dip in powdered mints. Fill glasses with shaved ice, being careful not to disturb sugared rims. Fill with unsweetened Hawaiian pineapple juice which has been well-chilled in can before opening. Garnish with sliced strawberries and sprigs of mint. Serve at once with short cocktail straws.

**Strawberry and Grapefruit Cocktail**  
1 1/2 cups chilled grapefruit sections, free from membrane and split in halves

Chilled grapefruit juice  
1 box (16 oz.) quick-frozen sliced strawberries, thawed  
6 sprigs of mint

Sweeten grapefruit sections and chill 1/2 hour. Drain, reserving juice. Arrange 6 grapefruit sections in bottom and around sides of each sherbet glass and fill center with strawberries. Pour grapefruit juice over fruit. Garnish with mint. Serves 6. Remember, when you use quick-frozen strawberries, that there's no waste. All quick-frozen foods come to you ready to cook or serve, with all their fresh flavor and full vitamin content sealed in by quick-freezing.

#### Lima Loaf

2 cups cooked, dried Limas  
2 tablespoons minced onion  
2 tablespoons tomato catsup  
3 tablespoons melted butter  
1 egg, well beaten  
1 teaspoon salt  
1/2 teaspoon pepper  
1 cup soft bread crumbs

Combine ingredients and turn into a buttered bread pan. Bake in a moderate oven (350° F.) about 25 minutes. To serve, unmold in center of platter, place strips of crisp bacon over the top and garnish with slices of fried tomatoes.

#### Cheese Tray Hospitality

When you plan a hospitable cheese buffet, take your cue from the chefs and add an extra plus of glamour by co-starring Liederkranz cheese with fresh fruit. You can feel free to indulge in gracious hospitality when you serve cheese, because it doesn't cut into the sugar ration. Stock your tray with such treats as Camembert, Brie, Swiss and Liederkranz cheese.

## At The District Grammar Schools

### At Crocker

Two instructive films on conservation were shown to eighth grade students recently, one entitled "Muddy Waters," and the other was "The Heritage of the Guard." The first film demonstrated the effects on the land from storms and floods, and the other film was concerned with all types of conservation, notably in wild life. The films were borrowed from the Soil Conservation Service in Berkeley.

Donna Grantham, pupil in Room 4, recently transferred from Crocker school, having moved to Richmond.

Room 2 pupils are busy making a map of the United States as it was in the Colonial era.

### At Jefferson

A motion picture, "Logging," was shown to students in the seventh and eighth grades. The building of roads, clearing of forests, transportation of logs by tractor to the mills, and actual mill operations were some of the features of the film which was shown by the Peterson Tractor and Equipment company.

Jefferson lost two students recently through transfers to other schools. Loretta Cortopassi transferred to General Pershing school and Grant Naylor to Los Angeles.

In connecting with social studies, second and third graders made a large wall hanging of "The Land of the Eskimo." They drew, colored, and cut out figures of seals, penguins, and igloos, and pasted them in place on the picture.

Jefferson students' part in the war effort has been extended considerably recently in cooperation with the American Women's Voluntary Services of Colma. Special events of the AWVS are announced by a poster group from the school, and a group of Jefferson boys prepare the Colma Community Center each week for the first aid and nutrition classes and the Red Cross sewing day which are held there.

### At Woodrow

Coming to Daly City from Sebastopol, Lowell McMullen is a new student at Woodrow Wilson school.

Thomas Fazendin is spending Easter vacation with his sister in Redwood City.

Rudy Finsterbusch and his father are on a fishing trip near Napa.

Jacob Hummel plans to spend a day with the Boy Scouts at Fleishhacker's.

Room 12 students are planning a Victory garden for their room in studying their unit on farming. Some of the students are planting gardens in their backyards.

Eight students were added to the high fourth and low fifth grades from the primary classes recently. The pupils were the following: Marie Baldette, Royce Blakemore, Beverly Gelinis, John Maravelias, Helen Matthew, Rosalie Musante, Barbara Neumann, and Le Roy Paul.

### Start Training Course For Den Chiefs

Joseph Straughan, well-known scout leader of Troop and Cub Pack No. 141, announces that a den chiefs' training course is being held. "These courses are for scouts who are den chiefs and scouts who want to become den chiefs," stated Straughan.

The meetings are being conducted each Monday evening from 4 to 5:30 p. m. at different homes. The prospective den chiefs learn how to conduct den meetings, and about handicrafts and games to be used at the meetings.

Courses are also to be started, in the near future, for den mothers. These courses will be instructed by the downtown den mothers from San Francisco who will be sent out by the downtown scout office. Further information as to the time of meetings will be announced later.
